# Word\_Count

## Words with the most appearance in FM24 Review

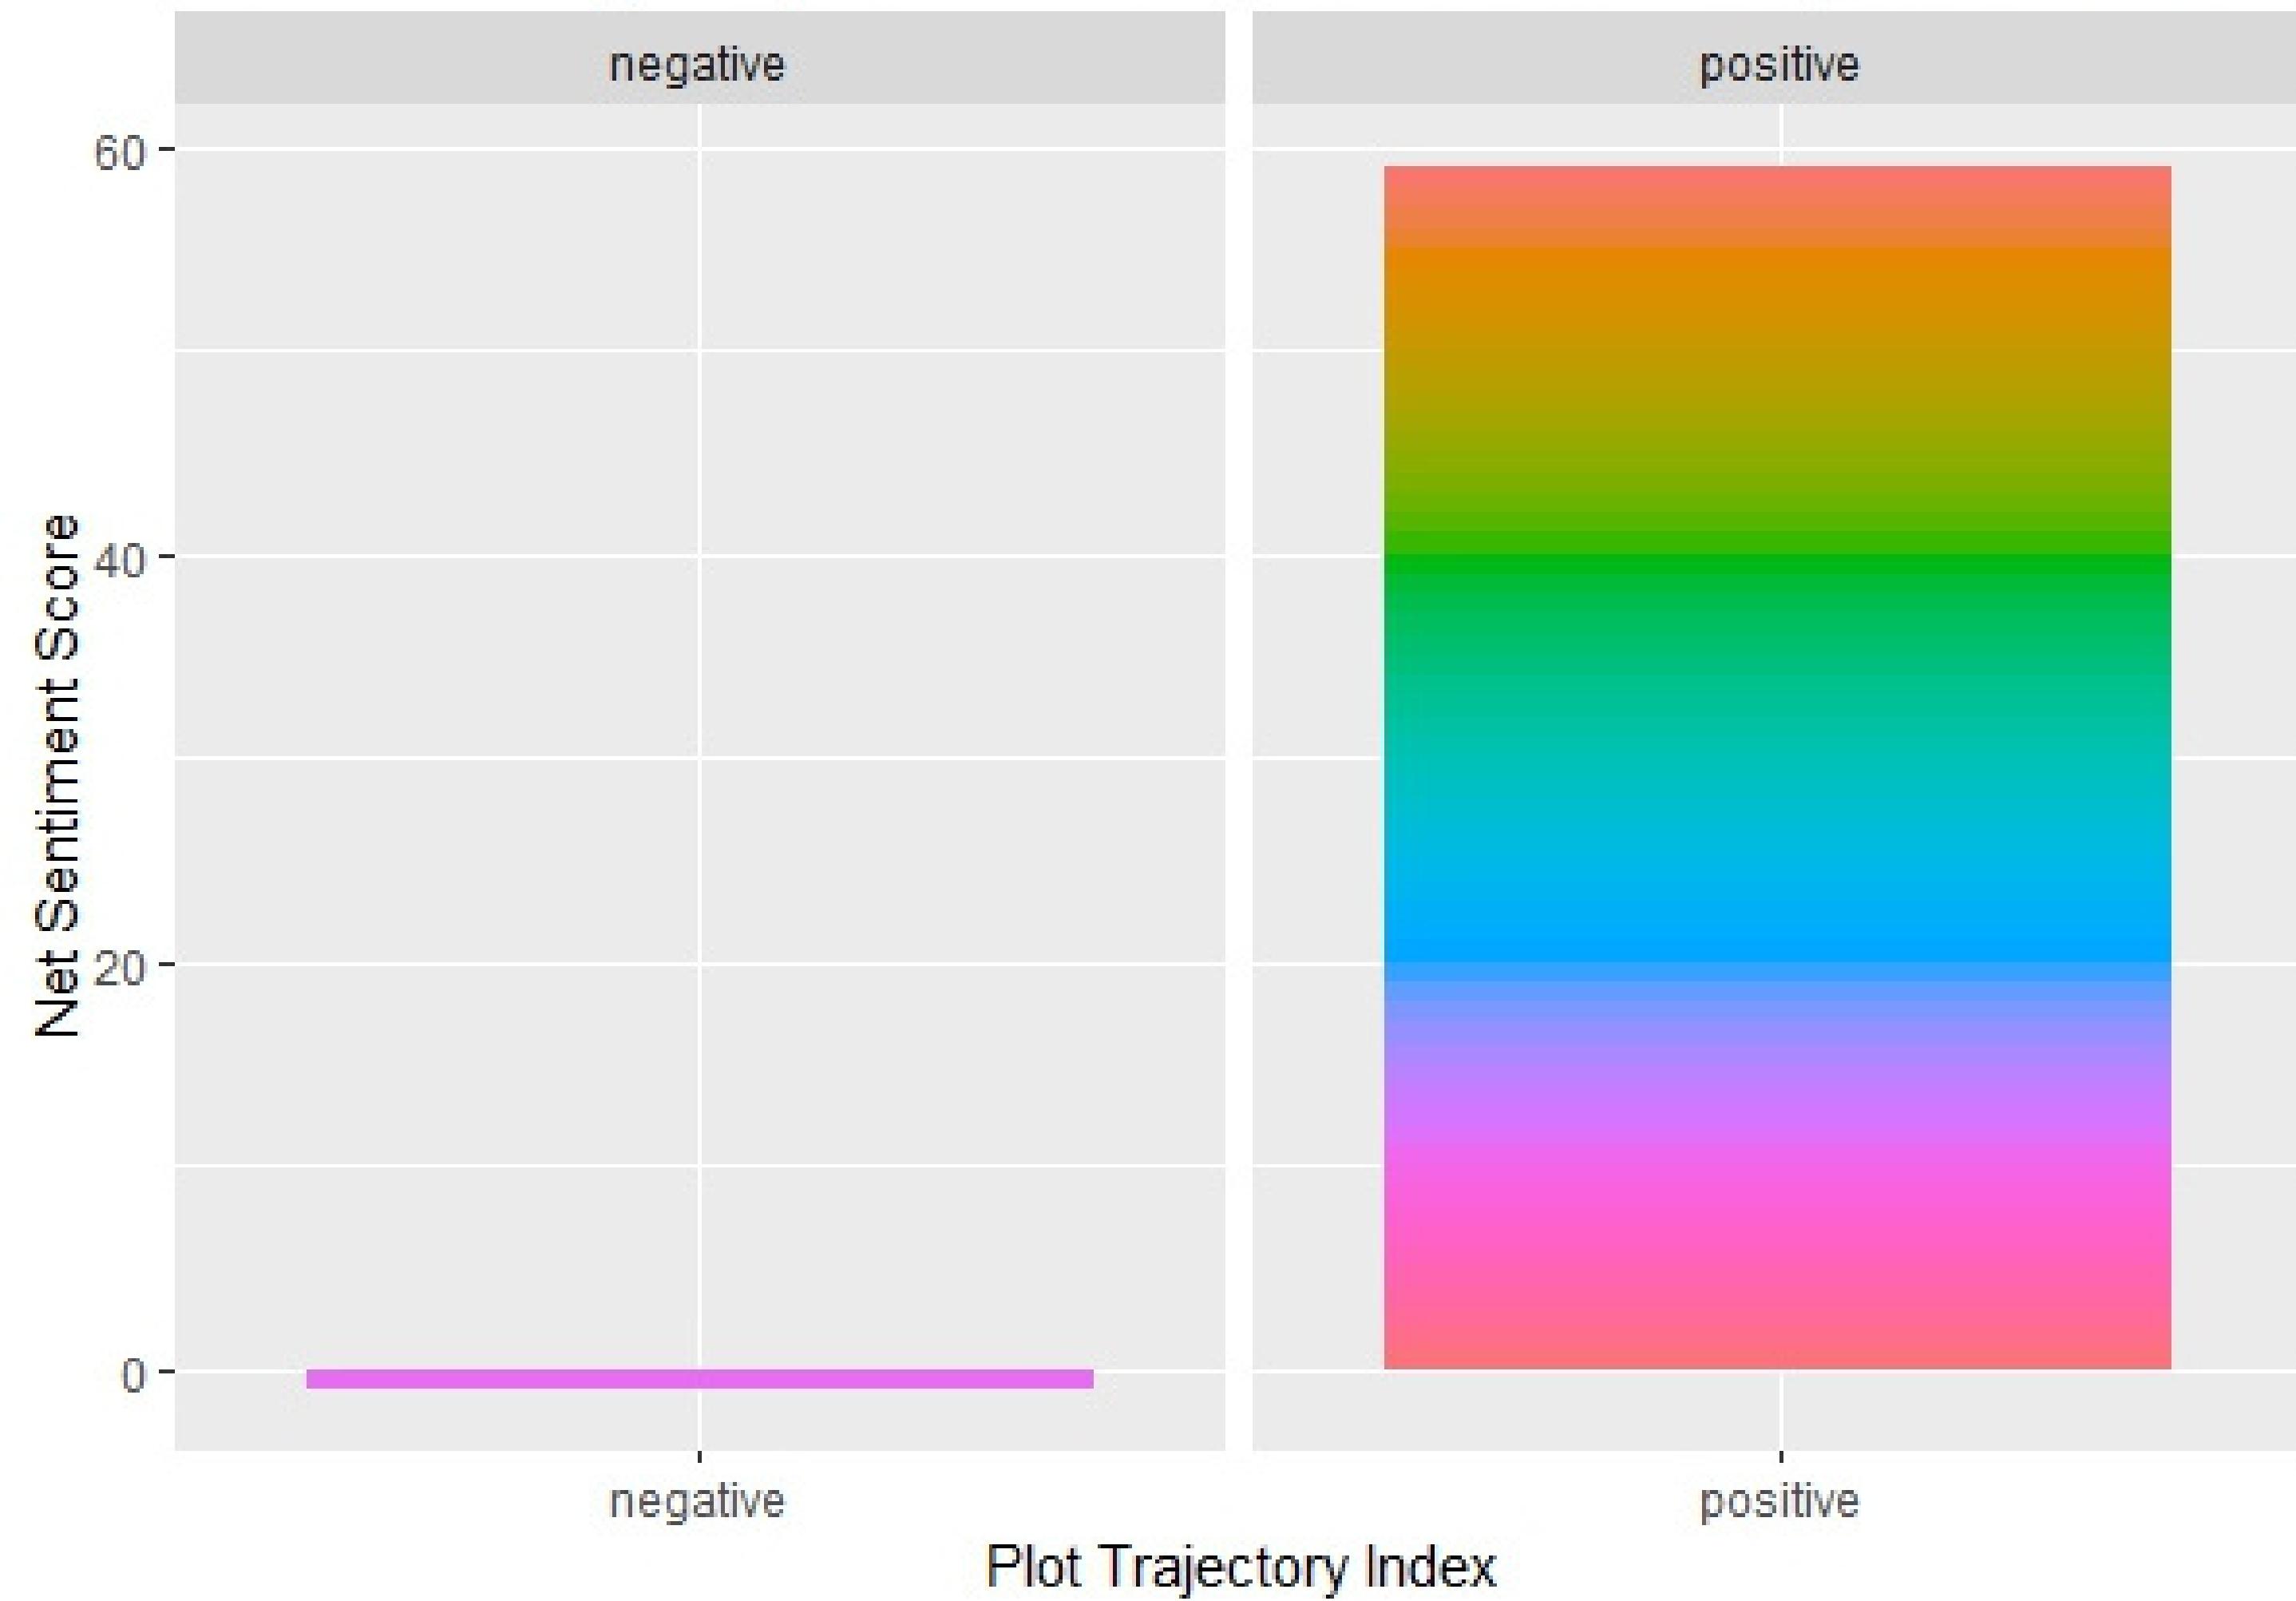

words with the most occurrences in review amongst Football Manager 2024 plays apparently shows “game” and “fm” as the most commented obviously this is no surprise as they encompass what it is about. “football”, “manager” and so on further explain what steam community have to say about fm24.

term

when broken down according to terms, it gets a whole lot more interesting. term 1 seems to explain ingame experience with words such as “bugs” and “improved”, Term 2 connotes the words associated with “release” and “update” perhaps relating to the upcoming release of fm25, Term 3 associates with players and managers while Term 4 seem to favour in “match experience”, “game management” and so on.
